Topic: Holiday Homework			
Activity: 9.2 Shading of Values			

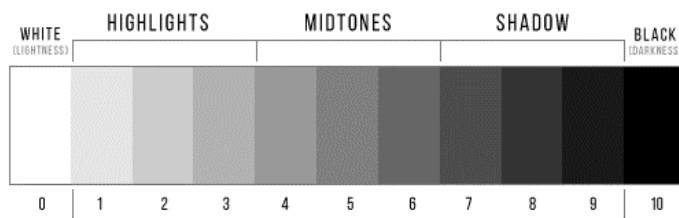

Holiday Homework

Shade the values and textures to match the reference photo provided.

Key Learning:

1. Use the VALUE SCALE below as a reference to ensure that your shading includes the range of values for all your drawings in pencils.
2. Shading of values should include HIGHLIGHTS, MIDTONES and SHADOW.
3. This worksheet will serve as a reference for your assignments that require pencil shading.

Control of Media	/10	Personal Response	/10
Total			/20

Criteria for success for activities:

1. Ability to identify HIGHLIGHTS, MIDTONES and SHADOW.
2. Ability to shade using blending technique by adjusting pencil pressure and shading in layers.
